

Nizampet,

25-02-2021.

Dear Ms. [REDACTED]

I am quite well here and hope the same for you. I wanted to inform you that, last year semester I got 8.24 (GPA). In the lockdown period (8 months) I safely stayed at home and our college conduct the online classes for us. It was very good experienced to attend the classes and doing some assignments, labs, quizzes and mini-projects... etc. moreover I wrote a nptel (IIT) course exam. In that exam I scored 67%. After completion of holidays I came back to hostel. Now I am enter into the IIIrd year and done my 2nd semester exams also. Further, future plans are - To write the gate exams and getting a good job in the placement drives.

Thanking you.

Yours sincerely,
