

In India, after 10th grade they go to Junior college which is only 2 years (here it is 11 & 12th grades)

In India, Junior college has primarily 4 groups to choose from and the students only learn subjects that fall under that specific category.

Here is each group/category and the path it leads to in University

BIPC (Biology, Physics, Chemistry) - Medical

CEC (Commer, Economics, Civics) - Accounting

MPC (Math, Physics, Chemistry) - Engineering

TTC (Teacher Training College)
