2017 Fundraising Dinner

Our October 21st Annual Fundraiser Dinner at Sacramento Waldorf School was a great success. We had a great crowd, the attendees were very generous with their donations and best of all we were able to get sponsors for nearly all the children who we had on our "SPONSORS NEEDED" wall.

The food was excellent, the entertainment was fantastic plus we had an informative and very interesting Skype conference with Hope Abides partner Aarti Naik and some of the slum girls who she tutors. They were so confident and outgoing!!

A huge thanks to all the volunteers who worked so hard to put it together and make it a success!

During this Christmas season, spread the goodwill.

Does Your Employer Offer Corporate Match Donations?

Hope Abides recently joined with GiveDirect a donation platform for charities. GiveDirect is used by hundreds of employers around the country to facilitate their corporate match programs. A few of the employers include Intel, Microsoft, Wells Fargo, Teichert Inc. and more.

We have already had a few supporters utilize GiveDirect (thanks so much you - know who you are) and we encourage each of you to see if your employer is on the list. It is an easy way to double the impact your donation has on the lives of "our kids".

India Trip Recap on Facebook

Hope Abides Founders Brent and

Marie Adams spent 4 weeks in India during the September/October timeframe. In addition to being able to connect with many of our partners in India and get updates on the children, they were also able to distribute dozens of water filters to needy schools and families. Thanks to our clean water partner [For One Another Foundation](#) for their support and a special thanks to Savannah Mahoney who traveled with them and who represented FoA quite nicely!

To see more about their trip, everything from the children they met to the rat catcher village they visited, see our Facebook posts [here](#).
