AHEAD - a school for the differently abled

Since 2012, Hope Abides has partnered with Kolkata NGO - AHEAD. The 90+ children of AHEAD receive speech therapy, physical therapy, ability based vocational training and education.

Founded by Dr. A. K. Banerjee Choudhury in 1979, AHEAD is one of our Best Practice Partners. They provide proof in the effectiveness of early therapy and intervention for those with autism, downs syndrome and other physical & neurological challenges.

Hope Abides is a U.S. based multi-faith organization whose mission is to provide help and hope to orphaned and destitute children in India. We help children regardless of their gender, caste or religious background and seek participation from all.

Hope Abides recently joined with GiveDirect a donation platform for charities. GiveDirect is used by hundreds of employers around the country to facilitate their corporate match programs. A few of the employers include Intel, Microsoft, Wells. Fargo and more.

We have already had several supporters utilize GiveDirect & we encourage each of you to see if your employer is on the list. It is an easy way to double the impact your donation has on the lives of our kids.

Aum Pranava Ashram Children

Our Tamil Nadu partner, Aum Pranava Ashram (APA), has several children in need of sponsors. Gokula (pictured right) is six years old. His mother died, but he is unaware of this fact. He was brought up by his aunt who he believes to be his mother. His family lives in extreme poverty which is why they had to leave him in the care of the ashram.

We have a total of five APA children, ages 5 through 14, currently posted on our website. If you would like to consider supporting Gokula or another APA child, click [here](#) to go to our sponsorship page.
