### The Power of Giving

The mission of Hope Abides is to break the cycle of illiteracy and poverty by providing for the physical, emotional, educational and spiritual needs of children in the poorest of poor circumstances.

We are grateful for the generous hearts and giving nature of our sponsors and donors. The generosity, selflessness, and great sacrifice demonstrated by our supporters have enabled Hope Abides to lift children, and assist them in achieving their full potential.

As we enter the fall season of gratitude and thanksgiving, we share the fruitful bounty of our donors and sponsors selfless contributions. Here are a few stories from Sphoorti Foundation and Moparru Orphanage.

### Sphoorti Foundation

Vinod has been selected for placement in Sureify Labs Hyderabad. He joined Sphoorti in 2006, after his mother passed away. He completed the Diploma Govt. Institute of Electronics, and later completed BTech from Sreenidhi Eng College.

We are proud of his academic progress and more importantly, his character and attitude. (Cont'd above right)

Dharani has been chosen for a Software Developer role in Keypoint Technologies, Hyderabad. She was first an Intern for six months and has been made a regular employee last month.

Dharani joined Sphoorti in 2009. Her father was abusive and deserted the family. He later died in an accident. Dharani's elder sister Shivani and younger sister Amulya also have been supported by Sphoorti.

Sunita (BTech) has been selected by Cognizant in Campus placements. She will join the company next year.

Sunita lost her parents to AIDS 12 years ago. Her hard work and dedication of our staff members along with the blessings of Sphoorti donors, she has reached this far.

November 6, 2021

A Note from Raju Pallikonda: Thank you very much for accepting our invitation and joining our building opening.

We are very happy to see you all. Heartfull thanks to Sister Marie, Brent brother, Nethaway family, and Hatfield family. I and all the children are very lucky to have you. I can't consider in my words how much we are happy.

You are all a best gift from God to us. Now we can use the dining hall for prayers, eating, studying and for sleeping. Thanks to Hope Abides for giving us a nice building.
