EC APPROVES REGISTRATION OF NRIs AS VOTERS

Chandigarh, Sanjay Pahwa:
Electoral Commission of India has approved to register the NRIs as voters. In terms of rule 8A of the Registration of Electors Rules, 1960, every overseas elector whose place of residence in India is located in the State of Punjab, who has completed 18 years of age as on 01.01.2011, and is desirous of registering his/her name in the electoral roll, is invited hereby to submit claim application in Form-6A for registration in the electoral roll of the constituency in which his/her place of residence as shown in the passport is located. The claim application in Form-6A may be either submitted in person directly to the registration officer of the constituency concerned or sent to such registration officer by post alongwith the documents mentioned in Form-6A and the guidelines. When the claim application is sent by post, it should be accompanied by photocopies of the relevant pages of the passport duly attested by the competent official of the Indian mission in the country concerned.

The registering officer may, after scrutiny of the documents, forward the application for registration, after due verification, to the authority concerned. The claimant, on receipt of the order for registration, shall be intimated to the claimant. The claim application may be rejected by the registration officer if the application is found not complete in all respects or if the information given therein is incorrect or contrary to the law or if the claimant is not eligible for registration.

In terms of rule 9A of the Representation of the People Act, 1950, inserted vide the Eleventh Schedule, the claimant, if he is satisfied after inquiry that any property acquired by him or his family at any time after the passing of the Representation of the People Act, 1950, or the date of the last general election to Parliament or Assembly, as the case may be, and before the passing of the Eleventh Schedule, has been legally acquired by him by the exercise of public powers or from the Government, may, within 7 days of the passing of the Eleventh Schedule, give notice to the officer who received the application for registration to the effect that he has no property acquired by him or his family at any time as aforesaid, except any property which was so acquired at the time of passing of the Representation of the People Act and before the passing of the Eleventh Schedule and which subsequently vested in him or his family.

The officer receiving the notice of the claimant shall forward the notice to the district magistrate within 7 days of the passing of the Eleventh Schedule and the district magistrate shall, within 7 days of the service of the notice, give the person concerned an opportunity of being heard against the proceeding. After hearing the person concerned, the district magistrate, if he is satisfied that the person concerned has no property acquired by him or his family at any time as aforesaid, except any property which was so acquired at the time of passing of the Representation of the People Act and before the passing of the Eleventh Schedule and which subsequently vested in him or his family, and if he is satisfied that such property was acquired by him or his family at the time of passing of the Representation of the People Act and before the passing of the Eleventh Schedule, shall forward the notice to the officer who received the application for registration and the officer who received the application for registration shall forthwith register the name of the claimant in the electoral roll.

A new faith-based charity devoted to orphans in India has been founded in Elk Grove, California. Hope Abides has a mission to bring people of all faiths together to provide help and hope to these children. Not only is their goal to help these orphans with their immediate needs, but to work towards providing them the ability to grow into independent and productive adults. Hope Abides will work with existing orphanages and organizations in India to make sure that basic needs are provided and children have the opportunity to go to school. First they will partner with existing well-run orphanages in India to help them with the funding of high priority needs. After a thorough screening process they will choose a handful of orphanages as partners and fund the needs identified as most urgent. It is anticipated they will provide funding in the areas of education, food, clothing, medical coverage or inexpensive facility repair and upgrade. In exchange Hope Abides will learn about the challenges and best practices of running a successful orphanage in India. This process is already underway as Hope Abides evaluated four orphanages in Andhra Pradesh before selecting one or two as partners. Later this year, they will go through the same process and select two or three more partners in Punjab, Kerala, Haryana or Maharashtra.

Within a couple years Hope Abides will take the lessons learned from the previous phase and help struggling orphanages with funding and operational improvements. They will target orphanages that are operational, but have severe issues with adequate food, decent facilities, or access to schooling. The approach of Hope Abides is unique because one of their main goals is to work towards a mentoring relationship between well-run and struggling orphanages. This will allow them to maximize each dollar spent since each orphanage with whom they partner will be expected to pay-it-forward to subsequent orphanages. The approach is scalable so that with $10,000 they can reach dozens of children; with $100,000 they can reach hundreds and so on.

They founders of Hope Abides, a small group of Indian and American educators and business professionals, are motivated by their faiths and their desire to help orphaned children participate in India’s improving economy.

Sacramento, Ca USA (Punjab Mail) A one day seminar on Problems and solutions of Non Resident Indians was successfully organized by NRI Front USA. The seminar was attended by about 300 delegates consisting of various community leaders crossing all party lines and social groups. Seminar was presided by Jassi Khangura a noted congress leader from Punjab. Mr Gurjatinder Singh Randhawa presented a four point memorandum of demands. Mr. Randhawa said Sikhs are facing lot of problems. Recent shooting of Elk Grove California in which two elderly Sikhs men were targeted in which one Sikh was killed and one is still under critical condition. Various local leaders spoke on the occasion and lauded the seminar. Various local leaders spoke on the occasion and lauded the seminar.
